**PRE-BID QUERRY REPLY - Bart**

As Per Bid Document

The contractor shall provide a Performance Security of 10 % (Ten percent) of the total contract price, i.e. value of Design, Build, and Commissioning services plus O& M prices for 15 years operation valid initially until 180 days beyond the Time for Completion of the Design-Build Services subject to the condition that the Performance Security shall be renewed from time to time, in the manner specified in the following paragraph, so as to be valid until 180 days after the End Date (i.e. completion of the O&M period of 15 years) or any extension to the End Date. In the O & M period the Performance Security shall be renewed each year at least 120 days prior to expiry of the current Performance Security.

The contractor shall provide a Performance Security of 10 % (Ten percent) of the total contract price, i.e. value of Design, Build, and Commissioning services plus O& M prices for 15 years operation valid initially until 180 days beyond the Time for Completion of the Design-Build Services subject to the condition that the Performance Security shall be renewed from time to time, in the manner specified in the following paragraph, so as to be valid until 180 days after the End Date (i.e. completion of the O&M period of 15 years) or any extension to the End Date. In the O & M period the Performance Security shall be renewed each year at least 120 days prior to expiry of the current Performance Security.

B) The Bidder must have Experience of design, build & commissioning, at least 1 SPS of 7 MLD Capacity

and C) also having operating and maintaining of i) STP of the same capacity as per 14.1.A and ii) SPS of same capacity as per 14.1.B, for minimum 2 year in the last 7 Years (i.e.2010-2011to 2016-2017).

Three Similar Works (40% of the estimated cost) in RsLacs 2275

Two Similar Works (60% of the estimated cost) in RsLacs 3407

One Similar Works (80% of the estimated cost) in RsLacs 4543 lacs

(b) Turn Over,

(d) Solvency Certificate, (e) Bid Capacity, (f) personnel capacity, (g) Equipment capability.

(e ) Bid capacity

**th I&D AND STP PROJECT**

Clarification/Amendment requested

we submit that we could not participate in the above tenders during earlier call as the scope of work is about 1/4th of tendered value and the tender is financially not viable for submitting 10% performance security at the time of agreement. Although we are qualified and proved contractors with BUIDCo., we could not submit the tender due to financial implications for submitting such a huge performance security for a long period of 17years.  
We request you kindly reduce the performance security to 2% of the contract value which we have given for Rajgir Sewerage work and the balance 8% can be deducted from the Running Account Bills.

We therefore request you to kindly extend the bid submission by at least a months time.

The scope of work in the above tenders is between 25-30% of tendered value and the remaining is under O&M cost. We therefore request you to consider the 20% cost of value as single work experience which is almost 80% scope of work under the said tender.  
As the scope of work is around 25-30% of tendered value, the 10% security deposit on total cost of tender (including O&M) will be financially not workable for submission of tenders. We request you to kindly modify the performance security at 2% on contract value and remaining 8% can be adjusted from the RA bills.

This tender is having less scope of work to execute and more O&M work, we request you to allow the lead partner as technical partner and the other partner as financial partner which is allowable in the state of Bihar, vid. No. RCD letter No. 8131 (s) 24.07.2012

As we are having continuous holidays due to PONGAL and continuous long week ends, we request you to extend the bid submission date by at least 01month.

1. Our reading of this clause is that the technical experience criteria has to be fulfilled jointly by all he partners of the JV. Please clarify.
2. Normally, for this nature of works, the design of the work and technology for the STP will be provided by specialized agencies and the these agencies are accepted as nominated sub contractors/sub consultants of the bidder in bidding for the works, and the nominated sub contractors/sub consultants experience in design of the works and technology for STP are considered in assessing the experience under this criterion. Kindly clarify.
3. Normally for contracts of this nature the O&M experience till the date of submission of the bid is one year. Whereas, here the O&M experience of two years till 2016-17 is considered. We request that the O&M experience of one year till the date of submission of the bids shall be considered in assessing the experience of the bidder under this criterion.

In the bids called for many Govt. departments for this kind of works, completion of three similar works of value of 20% value of the estimated cost (or) two similar works of value of 30% value of the estimated cost (or) one similar work of value of 50% value of the estimated cost of the work are considered as the eligible criteria for financial experience. This is being done to allow healthy competition. We request for amendment of the clause financial experience as completion of three similar works of 20% the estimated value or two similar works of 30% of estimated value or one similar work of 50% estimated value.

2. Normally the cost of work completed will be evaluated taking escalation of 8 per year, as given in the BUIDCo's bid for the work of Naugachiya. We request 8% escalation in cost of work completed shall be considered in this bid also.
3. Our reading of this clause is that the technical experience criterion has to be fulfilled jointly by all the partners of the JV. Please clarify.

Our reading of these clauses are that all these criteria have to be fulfilled jointly by all he partners of the JV. Please clarify.

Normally works of this nature bid capacity is used as criterion to judge the qualification of the bidder. The bidder requests that this criterion is to be deleted from the required qualification criteria for the bidders.
