

IFB Ref No: BUIDCo/BUDIP-2/NCB/02

Contract Package No: BH/WS/02

Package Name: Improvement of Water Supply System in Bhagalpur Municipal Corporation (BWSP-02)

Response to Bidders' Additional Queries received after Pre-bid Conference – 3<sup>rd</sup> Set

SN	Clause Ref No	Existing Clause	Clarification Sought	BUIDCo's Responses
1.	Section 3: Evaluation and Qualification Criteria 2.4.2(1): Construction Experience in Key Activities - Intake	<i>Design, Construction and Commissioning of Intake well of minimum 45 MLD capacity for Municipal Drinking Water application with minimum one year Operation and maintenance experience (including defect liability period) within the last seven years. (This criterion should be met by the main bidder itself)</i>	Intake well for Municipal Sewerage Application are very similar to Intake for Municipal Drinking Water Application.  <i>Design, Construction and Commissioning of Intake well of minimum 45 MLD capacity for Municipal Drinking Water or Municipal Sewerage application with minimum one year Operation and maintenance experience (including defect liability period) within the last seven years. (This criterion should be met by the main bidder itself)</i>	Refer Addendum 2.
2.	Section 3: Evaluation and Qualification Criteria 2.4.2(2): Construction Experience in Key Activities - Dredging Maintaining Approach Channel	<i>Dredging/maintaining the raw water approach channel/pipe laying by dredging for any project in the last seven years. (This criteria can be met by the main bidder itself or the specialized sub-contractor)</i>	The bidder has requested for deleting this criteria at bidding stage contractor (citing the reason that such dredging for new facilities will be required after 2-3 years of commencement of their operation after completion of intake works construction)and instead, allowing to mobilize specialized sub-contractor for the said work after approval from the employer before commencement of dredging work.  <i>The bidder shall engage sub-contractor, who has prior experience for Dredging/maintaining the raw water approach channel/pipe laying by dredging and the sub-contractor shall be engaged after prior approval of BUIDCo.</i>	Not agreed. The Bidding Document's provision shall prevail.
3.	Vol. I, Section 1: ITB 22.1	<i>Deadline for submission of Bids: Original: 18 May 2018</i>	Extension by at least 3 weeks	Refer Addendum 2 and Corrigendum 2.
